Maintaining the interest in
sustainable commuting

Employee Activation & Engagement

- Weekly email reminders to encourage usage.
- Implement challenges, rewards, and campaigns.
- Create internal communication channels for people commuting with KINTO Join
- Celebrate every milestone – xy CO2 saved, distances traveled sustainably, journeys made – everything you accomplish is a reason for celebration!

Remember that we are here for you every green step of the way. Don't hesitate to call us with any questions or ideas on how to make your KINTO Join journey even better.

Note

We have an article that might just help you raise your employees' interest in sustainable commuting.
